NEWARK LIBRARY

Join the *Urban League of Essex County* in a new venture, the *Pacemakers*. As a member, you can lend your expertise and meet other professionals.

The *Pacemakers* is a new Urban League project and by joining this group you can participate in all other Urban League activities.

Activities the organization will develop are:

A Mentor Program which will allow professionals to challenge young people to "meet tomorrow" in a success mode by providing them with success oriented tools, tips and techniques.

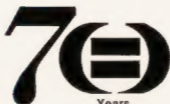

Action Seminars, hosted on a regular basis, will provide a structured vehicle to address and discuss current issues, i.e., investment, lifestyles, entrepreneurialship, career advancement, etc. These seminars will also allow you to present your expertise to other professionals.

Youth Programs will be targeted to young people before they join the Mentor Program to start them early toward a successful career.

Communication Chain includes activities and meetings where you may network with other professionals to enhance your career and lifestyle.

... and what ever your creative mind adds to the agenda.

If you are interested in being a charter member and developing this new organization please call the *Urban League of Essex County*, (201) 624-6660.
